Living Testimony of Jacob Coblentz in the Form of an Affidavit

I, Jacob Coblentz, Affiant, being of lawful age, qualified and competent to testify to, and having firsthand knowledge of the following facts, do hereby swear that the following facts are true, correct and not misleading. I have been carried away to jurisdictions unknown and denied my unalienable right of due process in a court of record that proceeds according to Natural Law.

On October 18, 2020 a friend and I pulled into Wawa in Nottingham township to get gas. Robert Rawley (badge #14030) and Kevin Sterling (badge # unknown) both oath taking public servants, were at Wawa putting gas in the state owned motor vehicle that they had that morning. As I was putting gas in the truck Robert Rawley and Kevin Sterling rolled around the pumps looking excessively in my direction. And according to Robert Rawley unlawfully ran the tag number of the truck we were in without probable cause of any crime according to the writing (unsigned AFFIDAVIT of PROBABLE CAUSE) that was filed. This being the start of the trespasses to my Life, Liberty, and Property.

After putting gas in the truck we pulled forward from the pump to the curb of the store to use the restrooms and get refreshments. Upon exiting the truck Robert Rawley and Kevin Sterling turn on the emergency lights and demand me to get back in the truck. After not answering my questioning of

why, and excessively exerting his authority (acting outside the scope of their authorized duties) for me to get back into the truck. I finally got back into the truck at which point Robert Rawley came to my side of the truck demanding me not to shut the door, began arguing with me about why he had the authority to even seize me at all beings there was still no is probable cause of any crime that he could articulate.

Now Robert Rawley demands that I exit the truck and after some more back and forth between the two of us, he places his hand on his tazer. So now being threatened I get out of the truck. Robert Rawley grabs one arm and Kevin Sterling grabs the other arm and (I'd say excessively) escort me to the front of the state owned vehicle they were in. Having already told them that I wasn't answering questions and that I didn't consent to any searches or seizures, they then placed me in cuffs. Then search the truck and put my friend out on the curb and called a towtruck to come steal the truck we were in. Then proceed to kidnap me and place me in the back of the state owned vehicle they had.

Proceeding with their trespasses to my Life, Liberty, and Property, Robert Rawley operating the state vehicle erratically and at excessive speeds, takes us to the Jennersville Hospital and tells me that I'm going to give them blood for a test. At this point I told them that they were going to need a warrent to take my blood. He read some paper and told me I had no choice.

Once again I dissagreed with the man. Knowing that my Pennsylvania Identification card that was in his possession (he unlawfully obtained after going ahead without my permission to search me) was signed with ,U.D. ucc 1-308 without predjudice, reserving all of my rights. Hence not giving them implied concent to do anything without my permission or a warrant.

Now They load me back up and go to the Avondale state police barracks. Here I'm cuffed to the wall and interrogated. Feeling I had no other choice I answered a few of their questions. Everything they made me sign, I signed U.D. (under duress). Then they proceed to take me to Chester County Prison to be unlawfully imprisioned against my will. Everything that has been signed has been under duress and has been marked to signify me reserving my rights and not giving up any of my rights.

On October 19, 2020 there was a video court hearing with Scott A Massey (dist mag 15-3-05) were an unconstitutional excessive bail of \$100,000 was set to extort money from me. To which I immedately objected to for being excessive. Adding to the list of trespasses to my Life, Liberty, and Property, and denial of Due Process.

On October 26, 2020 arrangements had been made and the extortion (bail) had been paid. Continuing with the trespasses on my Life, Liberty, and Property, they kept me imprisioned against my will untill the following day

October 27, 2020 when they held another video hearing with Scott A Massey. Apparently the prosecution was not ready and Scott A Massey verbally reprimanded them for not being ready and causing everyone to waste their time. Then he told me he was going to look into why I had not been released yet. A little while later they finally released me from Chester County Prison. and again to note that anything that I had to sign, I signed with a notation to reserve all of my rights and not to give up any of my rights.

Now I had been instructed to get ahold of bail administrations office which i did. And for a few weeks kept up with calling them once a week. They had been persisting to intimidate me into going to a councilor that they normally use to get a drug and alcohol evaluation. I conferred with council and it was decided that this action could be misinterpreted as an admission of guilt. So I informed them of this and told them that an evaluation would not be happening.

The preliminary hearing got rescheduled untill November 24, 2020. On or around November 18, 2020 I filed a responsive pleading in the form of a sworn statement to Scott A Massey, and Robert Rawley, that has yet to be responded to, and requests for oaths of office, and other necessary documents needed for them to officially be able to operate.

November 24, 2020 my roommate accompanied me to Scott A Masseys

office for the scheduled hearing. When we were called into the courtroom Scott A Massey encouraged me to reschedule the hearing. he also encouraged me to speak to legal counsel. so he sent me to the clerk to reschedule. It is my belief that the prosecution was not ready yet causing the encouragement to postpone set hearing.

The Preliminary hearing was yet again rescheduled until January 18, 2021. On or around January 10, 2021 Scott A Massey sent his contract renewal form and insurance paperwork that had been requested. Please note that I do not believe this contract renewal to be his oath of office. On or around January 15, 2021 when I called the District Attorneys office they had yet to assign an attorney to this unlawful set of trespasses and fraud upon a American State Citizen.

On January 18, 2021 my roommate and I yet again go to Scott A Massey's office for a preliminary hearing. We were called in and they ask me about counsel to which I explained I had talked to counsel and that I was there to settle the matter and that I was challenging jurisdiction. They proceed to just go along with disregarding my questions of jurisdiction. In the process of all this Robert Rawley stated when ask what he took an oath to uphold, his duty was to uphold Pennsylvania State law. He also alluded in the proceeding that running the registration on cars without probable cause of a crime was within his authority and operational procedure. At this point having Scott A

Massey, Robert rawley, and the prosecution all working against me I demanded for them to produce a verified claim against me a living breathing man and bring it forth. Then I stated that they didn't have one. So again I stated that I was for the record again challenging jurisdiction. Then Scott A Massey ruled in their fsavor and I stormed out of the building.

As of today April 15, 2021 I have yet to be served by mail or email or by smoke signal or any other way of anything to do with these trespasses of my Life, Liberty, and Property. Yet when I get online and find out that they have arraigned me without any serving me any notice of it. Notice and Demand by *We the People*

Declaration of Support:

My name is Jacob A Coblentz, and I am a free-born American; inhabiting the land called (City) Parkesburg, (State) Pennsylvania

I stand firmly in support of Marlena Pavlos Hackney, owner of Marlena's Bistro in Holland, Michigan, and her 6th Amendment-authorized "Assistance of Counsel" Rick Martin, of the Constitutional Law Group. Sims v. Aherns, 271 S.W. 720 (1925) "The practice of law is an occupation of common right." A bar card is NOT a license, it's a dues card and/or membership card. A bar association is what it is, a club, an association is not a license, it allegedly has a certificate through the State, the two are not the same.

A Public Trust has been breached by the STATE OF MICHIGAN actors, specifically by Judge Rosemarie E. Aquilina and Attorney General Dana Nessel. It has come to my attention that these Law-abiding Americans have been flagrantly and shamefully deprived of their God-given, constitutionally protected rights, which were converted into crimes by inferior, de facto courts of lawless, administrative procedures. They both were denied their constitutionally protected rights to represent themselves in a peaceful, lawful manner to the court arbitrarily denying them of their rights and locking them up.

Marlena and Rick are Americans on the land, with unalienable rights. The violation of those rights is a crime, which the People view with the utmost contempt. Every moment that these brave patriots are incarcerated is an affront to our Constitution and the Rule of Law. The Constitution is a list of restrictions for government to protect our God given rights.

All laws that are repugnant to the Constitution are null and void, as was made clear in Justice John Marshall's statement of principle near the end of his opinion, "that a law repugnant to the constitution is void, and that courts, as well as other departments, are bound by that instrument." *Marbury v. Madison* (1803)

We, the People shall no longer tolerate tyranny. Any and all un-Constitutional actions by elected public servants; including "judges", senators, sheriffs, congressmen and legislators; shall be punished to the fullest extent of the law. *We, the People*; with our feet on the land called: United States of America, do hereby Notice the Court and Demand that Marlena Pavlos Hackney and Rick Martin's God given, Constitutionally-protected rights be restored, according to Common Law status, and their standing be protected at all times from further violations of Constitutionally protected rights of religious freedom; having a higher authority to whom they must answer; from whom, these courts cannot protect. As per *Hale v. Henkel* (1906) They owe no duty to the state and can stand on their God given rights as an American citizen.

We, therefore; demand the Sheriff to release these Americans; having been unlawfully detained by inferior courts without due process of law guaranteed in the organic Constitution of the United States of America. Failure to do so will be met with the People's Articles of Impeachment for all guilty parties and will ultimately result in the courts demise and lawful imprisonment.

18 U.S. Code § 241 - Conspiracy against rights

AFFIDAVIT of PROBABLE CAUSE

Your Affiant is a member of the Pennsylvania State Police assigned to the patrol section at the Avondale barracks of Troop J. On 10/18/2020 your Affiant was on duty and in marked State Police vehicle, J2-11, while in full uniform. Your Affiant was partnered with Trooper Kevin STERLING.

On 10/18/2020 at approximately 0247 hours, I was on patrol in the parking lot of Wawa, located at 100 Ponds Edge Drive, West Nottingham Township, Chester County, Pennsylvania. I observed a Red and Black Dodge Ram 1500 Pickup Truck bearing Pennsylvania registration ZHX1142 turn left into the Wawa Parking lot from West Christine Road (SR-272).

I observed Jacob COBLENTZ exit the driver's seat of the vehicle.

A query of COBLENTZ produced his PENNDOT driver's license photograph onto my in-car computer. I verified that that was COBLENTZ that I observed operating the vehicle and stepping out of the driver's seat of the vehicle to pump gas. The query of COBLENTZ revealed that his license was currently under suspension for reasons of DUI, and an active arrest warrant through the Chester County District Attorney's Office.

A query of COBLENTZ's driving history revealed that he had been convicted of driving on a DUI suspended driver's license (1543B) eight (8) previous times.

After pumping gas, COBLENTZ then pulled forward into a parking space. At this time I activated my emergency lights and siren to initiate a traffic stop on the vehicle.

COBLENTZ immediately exited the vehicle and threw his hands in the air. Trooper STERLING ordered COBLENTZ back into the vehicle. It took multiple commands to get COBLENTZ to get back into his vehicle. I then approached the vehicle and COBLENTZ immediately began arguing with me. I observed that the vehicle did not have an inspection sticker displayed. I advised him we were stopping him because his license was suspended, and I observed him operating the vehicle on the roadway. COBLENTZ's speech was extremely thick and slurred.

I, TPR. ROBERT RAWLEY, BEING DULY SWORN ACCORDING TO THE LAW, DEPOSE AND SAY THAT THE FACTS SET FORTH IN THE FOREGOING AFFIDAVIT ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE, INFORMATION AND BELIEF.

I CERTIFY THAT THIS FILING COMPLIES WITH THE PROVISIONS OF THE CASE RECORDS PUBLIC ACCESS POLICY OF THE UNIFIED JUDICIAL SYSTEM OF PENNSYLVANIA THAT REQUIRE FILING CONFIDENTIAL INFORMATION AND DOCUMENTS DIFFERENTLY THAN NON-CONFIDENTIAL INFORMATION AND DOCUMENTS.

AFFIDAVIT of PROBABLE CAUSE CONTINUATION

I then ordered COBLENTZ out of the vehicle to conduct a DUI investigation. The driver's door of the vehicle was already open and COBLENTZ was seated in the driver's seat. COBLENTZ then refused to exit the vehicle stating I had to have a warrant to have him exit the vehicle. I then began to remove my department issued Taser from it's holster and COBLENTZ immediately complied and exited the vehicle.

I ordered COBLENTZ to go sit on the bumper of my vehicle. While COBLENTZ was walking to my vehicle, I observed his walking to be staggered. COBLENTZ had trouble maintaining his balance. I observed COBLENTZ's eyes to be bloodshot and glassy, as well as his pupils to be extremely dilated. ** Threat * Under Duress * Due Process*

I then began to ask COBLENTZ questions about if he had consumed any alcohol or drugs tonight. COBLENTZ related that he would "invoke his fifth amendment right" and would not answer any questions. I then asked COBLENTZ to submit to Standardized Field Sobriety Test's (SFST's). COBLENTZ asked me if he was required by law to complete the SFST's. I advised COBLENTZ that there was no legal requirement to complete SFST's. COBLENTZ then refused to do any SFST's. It was clear from COBLENTZ's demeanor, actions and speech that he was under the influence of a controlled substance.

COBLENTZ's warrant was then confirmed, and he was taken into custody for DUI, driving on a DUI suspended driver's license and his warrant. While handcuffed, COBLENTZ began to argue me about the definition of "driving" and "operating" a vehicle and began to insist he wasn't "driving" by definition.

Search of COBLENTZ's person incident to arrest revealed an orange pill bottle in his right leg pocket. The pill bottle contained suspected methamphetamine.

The vehicle required to be towed. A custodial inventory search of the vehicle yielded a bag of "Dank Gummies" that stated it was cannabis infused on the bag and a bag of "Sour Infused Gushers" that also stated on that bag that it was cannabis infused.

COBLENTZ was then transported to Jennersville Regional Hospital. I read COBLENTZ his Implied Consent/O'Connell Warnings on 10/18/2020 at 0334 hours. After reading COBLENTZ the DL26B, he began to argue with me stating that I needed a warrant to get a blood draw. I advised COBLENTZ that I did not and that that was the purpose of the DL26B from. COBLENTZ continued to argue. COBLENTZ would not consent to the blood draw and refused the test.

COBLENTZ was then transported to PSP Avondale where he was processed.

A query of COBLENTZ Pennsylvania criminal history revealed that this is his fourth (4th) DUI in the last ten (10) years.

Because COBLENTZ has an active arrest warrant, it is clear that he does not respond to court documents as ordered. While in transport, COBLENTZ also would not confirm his address, stating that the listed address is his "domicile" but could not relate if he gets mail there.

Based on the information set forth above, I request that Jacob COBLENTZ answer to the charges before him
